The minutes of 25th October 2016 were agreed and signed by the Chairman.

PLANNING SECTION 1

APPLICATIONS WHERE MEMBERS OF THE PUBLIC ATTEND AND REQUEST TO BE HEARD.

166. LOS -16-0281 SOS/16/01866/TPO (HIGHLANDS WARD)
HAYDON HOUSE 10 UNDERWOOD SQUARE, LEIGH ON SEA, ESSEX, SS9
Crown reduction by 4-5m to five oak trees (works covered by a tree preservation order)

A member of the public who occupied the neighbouring property made representations. The previous statement that the work had already been undertaken was incorrect. The trees were part of an ancient hedgerow and continued down Lime Avenue. He believed the site was being cleared prior to redevelopment. There was no Arboriculturist evidence in the application as to why the work needed to be carried out.

Objection

The Committee wished to see the trees preserved as they were, unless evidence could be provided to support the proposed works and requested that the SBC Arboriculturist give an opinion.

167. LOS-16-0299 SOS/16/01857/FULH (ELMS WARD)
GARAGES ADJOINING 56 DAWLISH DRIVE LEIGH ON SEA ESSEX SS9 1QX
Demolish existing garage and erect dwelling house on land adjacent to 56 Dawlish Drive, layout parking to front and amenity space at rear (amended proposal)

A member of the public made representations regarding the loss of on street parking and increased parking stress. The Committee considered the plot of land very small to accommodate a development. The Committee had objected previously but for some reason it did not form part of the SBC Officer's report.

Objection

It was considered that this was an inappropriate development and detracted from the street scene. The infill was undesirable and projected from the main building line. The proposed drive way would create a loss of on street parking in an area suffering from parking stress.

2 members of the public left the meeting

PLANNING SECTION 2

APPLICATIONS OF A CONTROVERSIAL NATURE OR WITH IMPLICATIONS FOR LEIGH AS A WHOLE; LARGE SCALE DEVELOPMENTS OR THOSE AFFECTING THE PUBLIC REALM.

There were none.

PLANNING SECTION 3

APPLICATIONS WHERE THE COUNCIL HAS RECEIVED OBJECTIONS FROM THE PUBLIC OR THAT HAVE BEEN "CALLED IN" BY A COUNCILLOR FOR CONSIDERATION.

168. LOS-16- 0296 SOS/16/01703/ FUL (THAMES WARD)
1356 LONDON ROAD LEIGH ON SEA ESSEX SS9 2UH
Erect Single Storey Front and Side Extension to Enclose Existing Seating Area (Part-Retrospective Amended Proposal)

Objection

The application for the extensions should not be granted and enforcement action taken to remove them. Granting permission would in the Committee's view create a dangerous precedent.

169. LOS-16- 0292 SOS/16/01931/TPO (BONCHURCH WARD)
50 EASTWOOD ROAD LEIGH ON SEA ESSEX SS9 3AB
Fell One Ash Tree (T1) (Application for Works to Trees Covered by a Tree Preservation Order)

No Objection

The SBC Arboriculturist be asked to give an opinion on the proposed works.

Cllr Caroline Parker left the meeting

170. LOS-16-0295 SOS/16/01256/FUL (ST JAMES' WARD)
23 BLENHEIM CRESCENT LEIGH ON SEA ESSEX SS9 3DT
Demolish Existing Bungalow and Erect Three Attached Two Storey Dwelling-houses, Lay Out Parking at Front and Rear and From Vehicular Access onto Blenheim Crescent)

Objection

The Committee regret the loss of a bungalow. The plan to place three houses on the plot was considered to be overdevelopment. The design was considered to be poor and would result in the loss of on street parking.

171. LOS-16-0297 SOS/16/01734/FUL (BONCHURCH WARD)
BRIARWOOD HOUSE 72 BLENHEIM CHASE LEIGH ON SEA ESSEX SS9 3BH
Demolish Existing Garage, Erect Two Storey Dwelling-house on Land Rear of 72 Blenheim Chase with Juliette Balconies to Front at First Floor, Install Bin store and Form Layout Parking

Objection

The proposal was out of keeping with the street scene, of poor design with a flat roof together with overdevelopment of the site.

172. LOS-16-0230 SOS/16/01869/FULH (ST CLEMENTS WARD)
16A CLIFF PARADE LEIGH ON SEA ESSEX SS9 1AS
Demolish existing two storey bay windows to front and erect two storey bay window with glazed door to front at ground floor, erect single storey rear extension, hipped to gable roof extension to side to form habitable accommodation in roof with dormer to rear and roof lights to front, form balcony to front and alter elevations (amended proposal)

Objection

The Committee considers the conversion of the current hipped roof to a gable end inappropriate.
